

DANS LE NOIR?

EXPLORE YOUR SENSES

*A unique experience at
the Stanhope Hotel*

The concept

Dans le Noir? is a unique **sensory, convivial and human** experience. This successful international project began in France in 2004 and is now present in **10 countries and 15 cities**.

- Diners enjoy a **surprise menu in total darkness**, served and guided by visually impaired people.
- More than just a restaurant, Dans le Noir? is a **unique, powerful, tasty and meaningful experience** - already enjoyed by 2.5 million diners worldwide!

*The price includes the organization of 3 activities (2 short, 1 long)

Contact us to find out about other teambuilding activities that can be tailor-made for your team!

Secret Message in Braille

SENSES USED: Touch

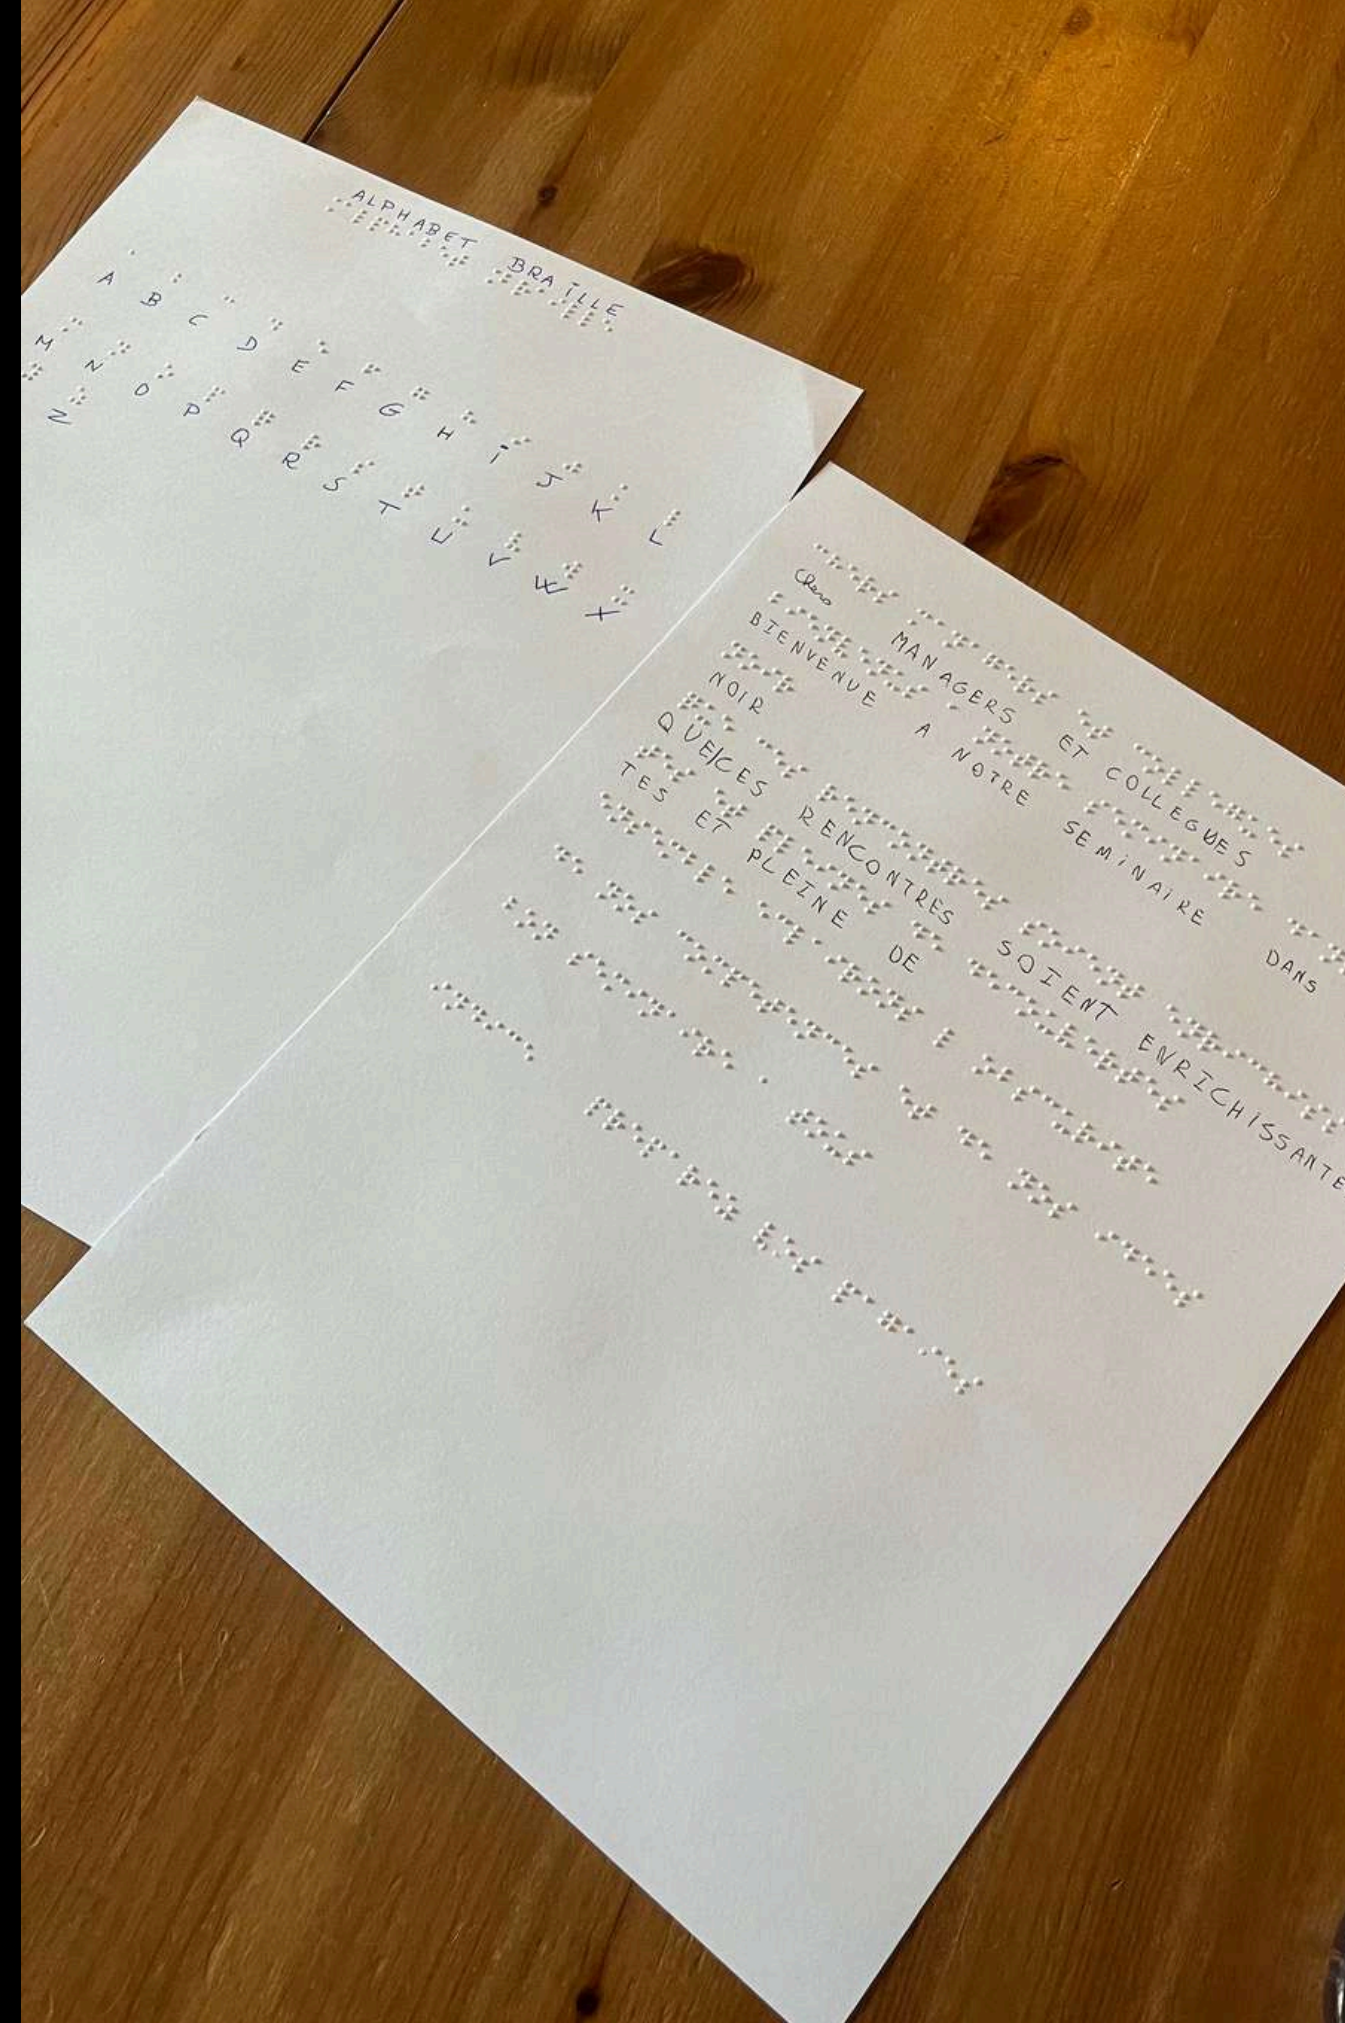

KEYWORDS: Reflection, cohesion, communication

Explanation : Divide up the roles and trust your teammates to move forward together to find the message behind the Braille letters!

Teams carry out the activity in light.

Everyone will find their role in this activity, where patience, communication and trust in oneself and others are the key to solving the riddle.

Duration: approx. 15 minutes

The scent lottery

SENSES USED: **Sense of smell**

KEYWORDS: Exchange, attention, communication

Explanation : Trust your sense of smell! Communicate your feelings, exchange, brainstorm!

Each team will find small boxes on their table, each containing a scent. Participants will have the whole duration of the meal to exchange them, brainstorm and try to guess the different ingredients hidden inside.

Duration: No time limit: can be done throughout the meal.

Blind Pictionary

SENSES USED: Touch

KEYWORDS: Cohesion, communication, listening, imagination and memory

Explanation : With a pencil in hand, listening and communication are the keys to creating this masterpiece as a team! Listen to each other and trust each other!

In each team, one person is invited to discover a drawing in light.

Using their memory and communication with their teammates, they'll be able to complete the masterpiece in total darkness.

Duration: approx. 25-30 min.

Anecdote contest

SENSES USED: **Hearing**

KEYWORDS: Communication, listening, fun!

EXPLANATION: Guests are invited to tell us an anecdote, a hidden talent or an unusual fact. These will be read out in the dark to the whole table. It's up to you to find their owner!

It's a great way to rediscover yourself in a new way, and above all, to have fun.

DURATION: 15 minutes (depending on the number of participants)

The wobbly tower

SENSES USED: Touch

KEYWORDS: Communication, cohesion, reflection, strategy, imagination, game of skill.

Explanation: Team spirit and challenge are the watchwords of this activity. Skill and concentration are required to reach the top!

Plunged into absolute darkness, the different teams have a time limit to build the highest tower using their agility and precision. Be careful, though, as you'll need to take measured risks to prevent the tower from collapsing!

Time: 5 minutes to build the tallest tower without it falling.

Mystery Boxes

SENSES USED: Touch

KEYWORDS: Cohesion, communication, listening

Explanation : Look for the treasures in the mystery box! Touch them and communicate with each other to get an idea of what the treasure is!

Each member of the team will have to find a treasure in the mystery box. Touch and communication will be key to uncovering each item hidden in the box.

Duration : approx. 10 min.

Quizz Handicap

SENSES USED: Hearing

KEYWORDS: Awareness, communication, listening

Explanation : Talk to our guides about blindness and the daily life of a disabled person.

A quiz on everyday topics:

How does a visually impaired person cook, shop, apply make-up etc.?

Small workshops on : How to identify your mail, your medication or count your change.

A great way to learn more about disability, without taboos!

Duration: approx. 20 min.

The mystery cocktail

SENSE MOBILIZED: Taste

KEYWORDS: Reflection, cohesion, communication

Explanation : Use your sense of smell to find the recipe for our surprise cocktail!

Teams will carry out the activity in light.

Taste our amazing cocktail and then find its composition: put your sense of smell to the test to find the ingredients in your glass among our samples!

Duration: approx. 15-20 minutes

Blind test

SENSES USED: Hearing

KEYWORDS: Speed, listening, challenge, fun!

Explanation : Guess cult music by listening to a few seconds' excerpts. The aim of the game is simple: an extract of music, a question, one or more correct answers. Players have to find the title of the track using their musical knowledge. The atmosphere is guaranteed!

Duration: approx. 20 min.

Our team

Our super team of visually impaired guide-servers will guide you through this unforgettable experience in complete darkness!
